# APPLIED ECONOMICS & BUSINESS

---

**DABM** Department of Agribusiness Management  
Wayamba University of Sri Lanka

---

## Aims and Scope

This journal publishes original contributions (original research, reviews, mini-reviews, perspectives and spotlights) related to applied economics, mainly related to applications of microeconomics to understand economics of production, consumption, marketing, and business. The journal accepts important research articles from all over the world. Primary criteria for selecting papers are quality and importance for the field.

Applied Economics and Business is published by the Department of Agribusiness Management of the Wayamba University of Sri Lanka. It is published twice a year, in June, and December. Applied Economics and Business covers a wide range of disciplines, including:

- Applied Economics
- Agricultural Economics
- Agribusiness
- Applied Econometrics
- International Trade and Business
- Business Management
- Development Economics
- Environmental and Resource Economics
- Industrial Organizations
- Entrepreneurship
- Marketing
- Social sciences
